

# JUNIOR TEAM RANKING SYSTEM 2024 / 2025

**Date Approved: June 12, 2024**

**Date Modified:**

The Nova Scotia Junior Team Ranking System (JTRS) is a performance-based point system designed to rank Nova Scotia U18 and U20 youth curling teams. The rankings are determined through points earned in sanctioned curling events held throughout the 2024/25 season.

- U18 = less than 18 years of age on June 30, 2024 / born on or since July 1, 2006
- U20 = less than 21 years of age on June 30, 2024 / born July 1, 2004, or later.

This directive will be applied to:

- 1) The data provided to be used by team coaches for the purpose of self-seeding in U18 and U20 provincial championships.

## **JTRS Points Categories**

The JTRS points model will determine performance points awarded using the relative significance of the event. In this model, there are two (2) categories of events:

- 1) Junior Cashspiel: this category will represent the bulk of the events played. These events are not restricted to being played in Nova Scotia.
  - a) U18 Event: Points earned in an U18 event will only be used as information in the ranking of teams for the U18 Provincial Playdowns.
  - b) U21 Event: All points earned in an U20 event will be used as information in the ranking of teams for both U18 and U20 Provincial Playdowns, if all athletes are eligible for U18.

*Interpretation: If a team in a U20 event uses a spare that does not meet the age criteria for U18, then zero (0) points will be awarded towards that teams U18 ranking.*

- 2) Adult Tournaments (World Curling Tour): World Curling Tour (WCT) sanctioned events will be eligible and will count on a point system listed in this document on page 4. All points earned in an adult event will be used as information in the ranking of teams for both U18 and U20 Provincial Playdowns, if all athletes are eligible for U18. ### **Changes to Registered Teams**

- 1) Should a registered team make a line-up change that will affect the points earned during the season, changes will be made retroactively to reflect the new line-up.

*Interpretation: If one team member is changed and that member does not join another team, the new team will retain 100% of their points.*

*If one or more members of a team change to another team, the points will be adjusted to 25% for each member of the new team.*

JTRS points. The tournament must still meet the eligibility requirements to be considered for JTRS points.
